Feel like your stock option is priced too high or too low?

Your attorney is helping you create the plan. Your CPA is making sure the accounting is handled correctly. But who can reassure you that your option is fairly priced?

An unbiased, independent opinion of value can help you:

- ***Ensure that your stock is given a reasonable market-based price***
- ***Protect option holders from unnecessary tax burdens***
- ***Provide justification that sound judgment has been applied***

Our team of experts have provided hundreds of valuations for closely-held companies for the purpose of stock option pricing. We will ensure that the market value conclusion is objective, so you can feel confident that your stock option plan is priced fairly.
